4 Input: hello
5 AI Response: Hello, I am good thank you, how are you
  ? Please tell me your GeniSys user
6 Input: i am adam
7 AI Response: Cool! Hello <HUMAN>, what can I do for
  you?
8 Input: what should i call you
9 AI Response: You may call me Geni
10 Input: tell me something
11 AI Response: I met a Dutch girl with inflatable shoes
  last week, phoned her up to arrange a date but
  unfortunately she'd popped her clogs.
12 Input: make me laugh
13 AI Response: I saw this bloke chatting up a cheetah;
  I thought, 'He's trying to pull a fast one'.
14 Input: prove you have a
15 AI Response: That depends, can you prove that you are
  ?
16 Input: what is the time
17 AI Response: One moment
18 Input: Pod bay Door
19 AI Response: Iâ€™m sorry, Iâ€™m afraid I canâ€™t do
  that!
20 Input: exit
21 Response: Exiting.....
22
23 Process finished with exit code 0
